EDUCATION

Indiana University, Kelley School of Business – Bloomington, IN   May 2026
Master of Science in Information Systems

Indiana University, Kelley School of Business – Bloomington, IN   May 2025
Bachelor of Science in Finance   GPA: 3.42/4.00

EXPERIENCE

Elevance Health – Indianapolis, IN   May 2025 - July 2025
Finance Intern
- Built an Excel-based pricing model to adjust pharmaceutical drug rates, ensuring monthly validation of over $200M AWP and applying drug-specific adjustments to maintain accurate pricing across states with Medicaid
- Developed a seven-year seasonality forecast to project specialty pharmacy traffic, incorporating historical trends and holidays to optimize capacity planning and resource allocation
- Automated the monthly margin exhibit by linking actuarial datasets, enabling real-time margin calculations for fully insured and self-funded insurance plans, eliminating preparation time and ensuring consistent outputs

SaiPro Systems LLC - Carmel, IN   May 2023 - August 2024
Financial and Data Intern
- Assisted with financial statements, and helped budget company funds through an account analysis statement which reduced company monthly expenditure by 9%
- Navigated development of conversions and interfaces between mainframes to raise efficiency of programs for IT clients by over 20% in Java and Python

LEADERSHIP

Sales Club – Bloomington, IN   December 2022 - March 2024
Chief Operations Officer
- Served as liaison between club and 10+ corporate partners, consistently providing strong communication to ensure successful meetings and positive experiences for partners and in-person representatives
- Helped increase total active club membership by 50% through increased member opportunities and recruitment
- Managed website as a means of communication to members, sending out relevant information in a timely manner while resolving issues related to attendance and accessibility

BYB Coaching – Bloomington, IN   September 2023 - March 2024
Basketball Coach
- Shared my knowledge of basketball by providing high-quality skills training to youth athletes, resulting in the development of player confidence and teamwork
- Conducted practices centered around shooting, ball handling, passing, rebounding, defending, and finishing with the intent of helping players progress

Boy Scouts of America Carmel, IN   April 2014 - January 2021
Senior Patrol Leader
- Planned and led a service project with volunteers through the course of four months to build benches and collect hygiene products for the Dayspring Center in Indianapolis
- Earned the Eagle Scout rank through years of service and leadership to my community, while being selected by peers to oversee total troop operation over the course of six months by coordinating all troop activities
